

All WDTC members:

I was asked at November's meeting to organize, for the upcoming winter months, some WDTC Members Only Open Training Days at Valli and Rick's Paws-itively Obedient Dog Training School. This is open to ANY member who has paid their dues and is therefore in good stand with the club. If you are not sure of this, please email Diane Bodle privately at dbodle1@verizon.net .

I know that setting up and tearing down was an issue that really ran into the time to train. I have added additional time to resolve that or at least I have tried to resolve it. I ask that you work together to set up within the first 30 mins and tear down within the last 30 mins. This is a Members working with Members event. There is NO formal instruction or teacher. Members can ask one another to play judge or help with their training. We are all working together.

As the organizer for this event, I am asking you all to remember and respect that:

Members must NOT enter building before said time and must be OUT of building by said time.

I appreciate your support in this matter. The following will be the schedule:

Saturday, January 7

10-1:30 Agility in Big Paws (3.5 Hrs) This include set up and tear down.

12-2 Rally in Little Paws (2 Hrs) This is the only time we will be renting Little Paws.

I will be looking for members that are willing to oversee each discipline. It does NOT need to be the same person at every event. **If you choose to do this, you will get the discipline you are overseeing for free.** Please email me privately to let me know.

Your job will be to:

- Be there at the beginning of the discipline and the last person to leave that discipline,
- Collect the funds,
- Make sure all members sign the sign in sheet,
- Either set up a course or at minimum help the person you designate to do this job.
- Make sure the discipline stays on time

Also please let members know, that are not on the Yahoo list or do not have email, about the training days. I will be sending out a mailing with this info as well as other club events but it will not be for another week.

Thank you and I am looking forward to training with you.
